

MAZEN WALID

Front-End Development Student

mazenwalid870@gmail.com | +20 111-5413807 | Giza, Egypt

PROFILE

First-year Computer Science student with a strong interest in front-end web development. Comfortable building responsive layouts with HTML and CSS, and confident writing JavaScript for interactive, dynamic interfaces. Currently exploring React. Built and self-maintains a personal portfolio website from scratch as a hands-on way to learn and demonstrate front-end skills.

EDUCATION

B.Sc. in Computer Science (In Progress)

First Year · 2025 – Present

SKILLS

- HTML & CSS — comfortable building responsive, multi-section layouts
- JavaScript — solid working knowledge (DOM manipulation, events, interactivity)
- React — introductory, hands-on exposure through self-study
- Responsive & Theming Design — applied in personal projects

PROJECTS

Personal Portfolio Website

Designed and built a fully responsive personal portfolio from scratch using vanilla HTML, CSS, and JavaScript. Implemented a five-theme color switcher with light/dark mode, an animated typing effect, a working contact form, and scroll-based active navigation highlighting.

ADDITIONAL INFORMATION

- Currently focused on deepening front-end skills and building additional independent projects
- Open to internships, freelance opportunities, and collaborative learning projects
